LAPPED RIDGE

Conventional lapped ridging

A-LINE RIDGE

Contemporary streamline
ridge system

MONIER A-LINE RIDGE

Create a sleek, contemporary look for
your home with Monier A-line Ridge.

CSR

MONIER A-LINE RIDGE

A-line Ridge seamlessly aligns the ridge capping of your roof end-to-end in one clean, straight line, with no steps. This gives a modern uncluttered finish that minimises the bulk of the ridge lines, creating a sleek, streamline and sophisticated look.

BENEFITS

- ☑ No more bulky or stepped ridgelines
- ☑ An integrated, clean look across your roof
- ☑ Low ridge profile may assist where height restrictions apply
- ☑ Quality assured by Monier to ensure superior weatherproofing
